Helpful Tips and Reminders

Label Everything: Permanent markers may work fine for labeling plastic bags, diaper boxes or wipe containers, however for items that will come in contact with your baby, purchase a non-toxic marker. Label makers, masking tape or painter's tape are also useful for labeling bottles/cups, while you may want to use iron on labels for cloths and bibs.

Clothing: Clothing should be comfortable, making it easy for the children to learn to dress and undress. Buckles, zip, snap pants and overalls make it difficult for children to be independent in school. Elastic waist pants are best for this age group. Outside shoes should be Velcro gym shoes. **Please no crocs or opened toe shoes.**
